

FOR IMMEDIATE RELEASE

MARCH 29, 1967

Office of the White House Press Secretary

THE WHITE HOUSE

STATEMENT BY THE PRESIDENT

I have received the report from the committee which I appointed on February 15 to review relationships between the Central Intelligence Agency and private American voluntary organizations. This committee consisted of Under Secretary of State Nicholas Katzenbach, as Chairman, Secretary of Health, Education, and Welfare John Gardner, and CIA Director Richard Helms.

I accept this committee's proposed statement of policy and am directing all agencies of the government to implement it fully.

We will also give serious consideration to the committee's recommendation "that the government should promptly develop and establish a public-private mechanism to provide public funds openly for overseas activities of organizations which are adjudged deserving, in the national interest, of public support." To review concrete ways of accomplishing this objective, I am requesting Secretary Rusk to serve as chairman of a special committee which will include representatives from the Executive, the Congress, and the private community.
